Wanted:

Emergency Medical Technician (EMT) students

The Kanabec Hospital Ambulance is hosting an Emergency Medical Technician – Basic course.

The class provides a basic training program in emergency medical care. It is designed to teach responsibility in emergency care of the critically sick or injured and to develop skills in the use of and care of all basic emergency equipment. The program curriculum includes topics such as patient assessment, trauma skills, cardiovascular, respiratory problems and other medical emergencies. The course will also include field clinical experiences. Students who successfully complete the course will be eligible to take the National Registry of EMT practical and written exam for EMT-B certification.

Classes will meet at the Kanabec Hospital every Monday and Thursday evenings from 6pm-10pm and every other Saturday from 8am-4pm beginning Thursday June 17th. The last day of class is schedule Thursday, August 26th. The cost of the course is \$894.
